

Opportunity to Join the Board of Directors 18/19 Season

The Kitchener-Waterloo Symphony is the 3rd largest professional orchestra in Ontario and a cultural centerpiece of Waterloo Region for over 70 years. We inspire audiences of all ages and cultural backgrounds through artistic excellence, innovative programming, education and community outreach programs. The Orchestra comprises 52 professional musicians and plays over 100 concerts each season at the Centre in the Square and throughout the Region.

The KWS redefines what an orchestra is today, committed to a challenging and stirring audience experience. This approach has drawn attention to the KWS locally, nationally and internationally. The KWS is at an exciting crossroads as our new Music Director Andrei Feher starts his first season with us in September 2018. We are also embarking on a new and adventurous strategic plan.

The Board

Our Board is formed with 18 volunteer members, elected by the Members of the KWS Symphony Orchestra Association on an annual basis. We serve a 3 year term, renewal for one additional 3 year term. Our Board year runs from early November through our performance Season to November of the following year. We have 8 Board meetings a year.

The Board's Governance is strong, developed by experts in the field of not-for-profit experts. Led by a Chair and small Executive Committee we strive to include a diversity of age, gender, community reach and range of industry and public sector representation. Our Board is focused on stewardship, financial oversight and leading the strategic vision and values of the KWS. Philanthropic leadership is critical to the future of the KWS. We are committed to the IDEA policy recently adopted by Orchestras Canada (Inclusion, Diversity, Equality, and Accessibility).
